

Interim GSPs**Changes published after the September 2, 2025 GSP Official Update Package**

The following is a list of GSPs that were modified after the September 2, 2025 update package that was published with the 2026 Standard Specifications.

Only changes resulting in a new GSP date are included in this list. Any minor changes to fix formatting or spelling errors that did not result in a date change are not included.

To view all GSPs, please visit our website:
